Dedicated in Memory of
Mr. Joseph Cimoch
1921-1979

"He was a good teacher because he never refused to help you. He showed us the right way and the wrong way of doing things. He was a master of his trade. He rarely gave us positive remarks on our work because he knew that we could do better. He was always pushing us, telling us that there is no limit to how far we can go. He said that we were a product of him — what we did showed what kind of a teacher he was.

Then quite suddenly and surprisingly, he died. He will never die in our minds, and there will never be anybody to replace him."

T. Allen, Class of '80

Superintendent — Director's Message

Congratulations to the Class of 1979. The fundamentals of education you have learned well — let this be the framework that you will build your future on.

As you enter the world of business and employment, you have the responsibility of using the knowledge and skills you acquired here at Bay Path. You must use these skills and knowledge to be a productive member of our American society.

The Administration and myself extend our best wishes to the Graduating Class of 1979.

A DRAMATIC EVENT

A play is an event, a happening. No two performances are ever the same. The actors' moods, the audiences' reactions, the delivery of a line, all make a play a once in a moment thing.

To take part in a play an individual must have a sense of identity, responsibility, initiative, talent and "guts."

A special thank you to Paul Andrzejewski, Donna Hebert, Dean Hornberger, Peter Sirard, Cheryl Patridge, Michelle Choiniere, Bonnie Young the cast and to Wayne Nystrom, Jayne Ford, Bob Hennequin, Todd Scanlon, Leroy Rousseau, and Don Ostergard the stage crew, as well as Humberto Alanis, our exchange students, for a job well done.
